Re: Requesting 2-week extension to file plaintiff's brief in support of his amended complaint

Hon. Judge Stewart Aaron,

As you may know, I am the plaintiff on the Shukla vs. Deloitte case at SDNY case# 1:19-cv-10598-AJN.

In the past month, defendant has severely harassed and biomedically manipulated the plaintiff by aerosols and surface based chemical agents. Defendant has further used electrical impulses from biomedical manipulation devices to manipulate the plaintiff.

Biochemical / medical manipulation has been carefully induced upon the plaintiff to deliberately confuse and destroy plaintiff's reasoning process. These malicious tactics were knowingly instituted by the defendant so that the plaintiff would be forced to act against his own instincts, values, and reasoning. Exhibit A contains evidence of injuries and heightened allergies.

The Honorable Stewart D. Aaron, U.S.D.J.
September 8th 2020

Plaintiff hereby requests this court to grant the plaintiff a 2-week extension in filing his brief in support of his amended complaint. Currently, plaintiff's responses are due on September 11th 2020.

Sincerely,
Ashu Shukla

ENDORSEMENT: Without regard to the substance of Plaintiff's allegations set forth herein, the Court hereby GRANTS Plaintiff's request. Plaintiff shall file his opposition to the pending motion to dismiss (ECF No. 56) no later than 9/25/2020. Defendant shall file its reply no later than 10/16/2020. With regard to Plaintiff's suggestion in his 9/8/2020 letter (ECF No. 74) that the "defense attorney is having ex-parte communications with the court," the Court states that no such communications have occurred or will occur. With regard to Plaintiff's latest Letter Motion regarding discovery-related matters (ECF No. 76), the Court hereby DENIES WITHOUT PREJUDICE such motion (which is largely duplicative of Plaintiff's prior Letter Motion at ECF No. 64), pending the telephonic conference on 10/13/2020. SO ORDERED.
